Project Name	Efficient water quality analysis and prediction using Machine Learning

## PROJECT PLANNING TOOL – JIRA

### ABOUT JIRA :

Jira helps teams plan, assign, track, report, and manage work and brings teams together for everything from agile software development and customer support to start-ups and enterprises. Software teams build better with Jira Software, the #1 tool for agile teams.

- We have used jira inorder to plan and see the progress of sprints 1,2,3 and 4.
